Medical Philippines 2023

Saikang's exhibition in the Philippines was a great success! From August 23rd to 25th, SAIKANG not only attracted local professionals but also drew the attention of numerous international

customers who came to discuss potential collaborations.

Saikang's products have received widespread recognition from the international market at the

exhibition. It is believed that this exhibition in the Philippines will further pave the way for Saikang's international cooperation, creating new opportunities.

Medical Fair Thailand 2023

As a leading global supplier of medical equipment and solutions, Saikang continues to drive intelligent innovation by applying advanced technology to its diverse product range, enhancing the treatment experience for patients and creating a better medical care environment.

With professional knowledge and enthusiastic attitude, SAIKANG warmly welcomed the visitors and provided thorough answers to various inquiries on the spot.

Through the product and technology presentations,

the audience gained a deep appreciation for SAIKANG Medical's extensive technical expertise, excellent research and development capabilities, and outstanding system solution capabilities.

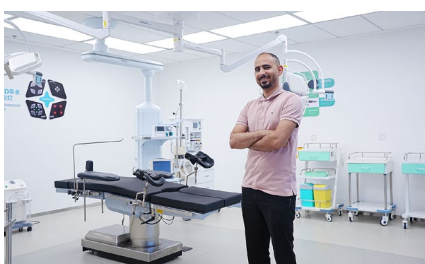

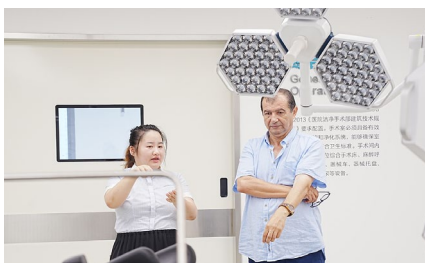

VISITING

In the past few months, Saikang has had the pleasure of hosting our valued customers from various countries. During the visit, we discussed and exchanged product information with our customers, and experienced Saikang Global

Medical Care Experience Center immersively. Throughout the years, Saikang has remained dedicated to delivering high-quality products to our customers, with our solutions being successfully applied in numerous

countries and regions. We firmly believe that in the future, we will continue to collaborate with more international partners to collectively advance the development of global healthcare.

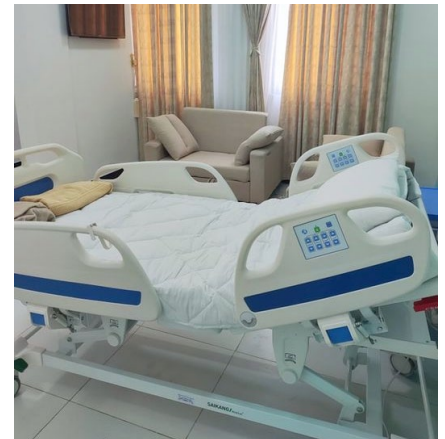

Thanks for **your trust!**

In brief

Staff vocational skills competition

The company actively carries out professional skills competitions for employees to improve their technical capabilities. The competition was a complete success, everyone actively participated and showed their skills.

Exciting News

Ms. Bessie, the Sales Director at Saikang, recently attended the Business Matchmaking and Exchange Meeting for Seminar on Medical Equipment and Technical Cooperation for Developing Countries.

This event brought together 37 government officials and representatives from 12 countries including Brazil, Jamaica, and Senegal. It is a tremendous honor for Saikang, to share our practical insights and expertise in applying Chinese medical equipment and technology overseas.

Summer Benefits

In the scorching summer, the company has prepared a series of summer benefits for the employees, so that everyone can feel cool and happy in the hot summer.
